OBJECTIVE

Results-driven Project Manager and Web Developer with a strong computer science foundation, currently leading multi-client digital projects for a UK agency. Skilled at combining strategic planning with hands-on delivery across web development, SEO, and paid advertising to improve user experience, optimise performance, and grow client revenue and online visibility.

PERSONAL DETAIL

Date of Birth	: 19 November 2005
Nationality	: Bangladeshi
Religion	: Islam
Marital Status	: Unmarried

WORK EXPERIENCE

Project Manager & Developer — Axelman Digital

Nov 2025 – Present | Bangladesh (Remote, UK Agency)

- Manage and oversee multiple client projects end-to-end, from planning through to completion and delivery.
- Act as primary client contact — gathering requirements, communicating progress, and managing expectations.
- Coordinate cross-functional teams across design, SEO, and paid ads to ensure smooth workflow and timely delivery.
- Plan, manage, and optimise paid advertising campaigns on Google Ads and Meta Ads, with daily performance reporting.
- Develop, maintain, and optimise Shopify and WordPress websites and web applications, ensuring quality and performance.

SEO & Developer Intern — Axelman Digital

Oct 2025 – Nov 2025 | Bangladesh (Remote, UK Agency)

- Carried out on-page and off-page SEO, keyword research, and website content optimisation for client projects.
- Supported website development and maintenance, fixing frontend and backend issues to improve speed and UX.
- Monitored website analytics and prepared performance reports; promoted to a permanent role within one month.

Web Developer (Freelance) — Self-Employed

Jan 2024 – Oct 2025 | Bangladesh

- Built responsive, user-friendly web interfaces using the MERN stack and modern frontend tools.
- Developed features with JavaScript frameworks and APIs; improved website performance and loading speeds.
- Delivered end-to-end web applications and technical implementation alongside project delivery.
